Experience: previous experience in the field of non formal education is preferable. The lack of experience is not considered an excluding criteria because thanks to the non formal education the intern will be involved in the daily activities. Language skills: B1 language level in English and A2/B1 language level in Italian (due to the contacts with the local community). ICT proficiency level: Working knowledge of basic software packages Soft skills: open minded, ability to write projects in English, communication skills, time management, practical and concrete, sensitive with disability	Fields of work: adults and youth mobility and training courses targeted at students or teachers. Subject: promotion of the youth/ adult mobility (LLP Programme, European youth Foundation and Youth in Action) and social work in the third sector all around Europe using non formal education method. The intern will support all activities carried out by Mine Vaganti EYG and will be in charge for writing new projects on youth/adult mobility. As Mine Vaganti daily deals with partners from Europe, the intern should be able to communicate both in English and in Italian, especially in order to interact with the local community to whom are mainly addressed the activities. The intern will support the association in the phases of writing and implementing several projects (especially local activities about sport as a tool of integration for people with physical disabilities and immigrants) and running info days about European Programme. The training activities will also include writing European Projects aimed at establishing new partnerships and support the implementation of activities on local project such as sport matches for immigrants, training courses for social workers and so on. Other practical activities could be planned during the afternoon (no opportunity to benefit of the mobility projects promoted by Mine Vaganti).
